

# COMMUNITY SUPPORT

DWC has continued its support of the community, providing funding to enhance a range of community facilities and programmes.

In addition to DWC's continued funding of the Major District Initiative (\$400,000 to each district council annually through to 2022) and the Extraordinary Distribution Fund (one-off \$2m to each West Coast district council), DWC provided the following community in 2019-20:

- West Coast Community Trust \$90,000
- Kotuku Surf Life Saving Club Inc \$7,217

## Major District Initiative Fund (MDI)

DWC continues to financially support significant assets and facilities throughout the West Coast through the Major District Initiative Fund (MDI). DWC recognises that community facilities are important to support and help build vibrant communities.

Through the MDI funding stream, DWC has supported many community projects and facilities, including the region's major sporting facilities and theatres. These assets promote the wellbeing of our communities and encourage participation in sports, arts, and culture through the many activities utilising these facilities.

Established in 2005, MDI funding will continue through to 2022, being drawn down at a rate of \$400,000 per year by each of the three West Coast councils. The following schedule shows projects receiving MDI funding to date. The unallocated and undrawn amounts are shown as a liability in Note 17.
